SPECIAL FILMING CONDITIONS
FOR FILMING ON VENICE BLVD., GRAND VIEW AVE. TO CENTINELA AVE.

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

- **Affected residents/merchants on Venice Boulevard between Grandview Avenue and Centinela Avenue must be notified of any filming activity (including any areas affected by production equipment parking, cast/crew parking, or catering) must be notified at least (2) days in advance of the first filming day or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least (3) days in advance.*

- **Cast and crew parking is not permitted to park on area streets. Off-street, alternate parking must be provided.**

- **Production vehicles parking and/or the posting of "No Parking" signs require the signature of affected businesses. Posting/parking should not exceed 400'.** Production companies are required to submit signatures to the Permit Authority for review and approval at least twenty-fours in advance of the first film date to allow for modification of posting signage if needed.

- **Upon completion of filming, companies are requested, as a courtesy, to turn all "No Parking" signs around so that they face in the opposite direction. Only the Los Angeles Department of Transportation (DOT) is allowed to post and remove the signage.**

- **Unless approved by the Permit Authority, filming activities that involve exteriors, the use of sidewalks, streets or parking spaces shall be prohibited on weekends and during the week prior to Thanksgiving and Christmas.** The Permit Authority approval will be based on an authorized Filming Survey of affected businesses demonstrating substantial support of the filming activities.

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.
